Plantation Bitters. S. T.-1860-X.

This wonderful vegetable restora tive is the sheet anchor of the feeble and debilitated. As a tonic and cordial for the aged and languid it has no equal among stomachers. As a remedy for the nervous weakness to which women are especially subject, it is superseding every other stimulant. In all climates, tropical, temperate or frigid, it acts as a specific in every species of disorder which undermines the bodily strength and breaks down th animal spirit.
